BASELINE METROPOLITAN DISTRICT NO. 3  
2026 BUDGET  
SUMMARY OF SIGNIFICANT ASSUMPTIONS

**Services Provided**

Baseline Metropolitan District No. 3 is a quasi-municipal corporation organized and operated pursuant to provisions set forth in the Colorado Special District Act. The District was formed in September 2001. The District was established for approximately 1,100 acres located entirely within the boundaries of the City of Broomfield, Colorado. Along with its companion Districts No. 1 (“Service District”) and No. 2 and No. 4-9 (“Finance Districts”), this “Finance District” was organized to provide financing for public facilities within the service area including water, sewer, streets, safety protection, parks and recreation, transportation, television relay and translation facilities, mosquito control, and limited fire protection services.

The District has no employees at this time and all operations and administrative functions are contracted.

The budget is prepared on the modified accrual basis of accounting, which is consistent with the basis of accounting used in presenting the District's financial statements.

In preparing the 2026 budget, the following goals are foremost for the District:

To collect appropriate property taxes for distribution to the Service District in order to provide the level of services desired by the property owners of the District in the most economic manner possible.

**Revenues**

**Property Taxes**

Property taxes are levied by the District's Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or, if in equal installments, at the taxpayer's election, in February and June. Delinquent taxpayers are notified in August and generally sales of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

The District is authorized to levy 56.706 mills adjusted for changes in the ratio of actual value to assessed value of the property within the District for operations and maintenance.

**Specific Ownership Taxes**

Specific ownership taxes are set by the State and collected by the County Treasurer, primarily on vehicle licensing within the County as a whole. The specific ownership taxes are allocated by the County Treasurer to all taxing entities within the County. The budget assumes the District's share will be equal to approximately 4 % of the property taxes collected.
